

My Name is Jane Gean

Horses have always been a big part of my life having grown up in England with hunter jumpers. I never knew of such a wonderful breed as the Rocky Mountain. When my husband and I moved to America many years ago I discover this wonderful breed. I have been breeding and raising Rocky Mountain horses now for 27 years. I believe we need to promote and continue to breed and preserve this wonderful breed known as the Rocky Mountain Horse.

I think I have a lot to offer to the Association and am willing to help in any way possible. As a breeder myself I would like to see this breed grow and move forward in a positive direction. I really enjoy working with people and answering questions when I can. I was also fortunate enough to have learned from some of the wonderful breeders that are no longer with us.

I am currently a Rocky Mountain examiner and also on the show committee and have been a member for several years.

Thank you for consideration

Jane Gean
