

Gina Purdue Candidate Statement

Hello, RMHA members. My name is Gina Purdue and I am the current Secretary on the RMHA Board of Directors. I am also Chair of the Registration Advisory Committee, Secretary of the Show Judging Committee, and a licensed Senior Judge. I have been a part of the RMHA for nearly 20 years. My husband, Keith, and I own and operate Purdue Stables in Irvine, KY. We are both passionate about the Rocky Mountain Horse and strive to preserve and promote the breed that we love and respect. Areas that I feel are important for the RMHA include: breed preservation and promotion; membership involvement, services, & benefits; and organizational stability & leadership. I welcome ideas and input from all members so that we can work together for the benefit of our wonderful breed. Thank you for your support.
