1. Pull at least 30 tail hairs by wrapping hair around forefinger.
2. Grasp hair close to the body to include roots. Pull straight toward your body. Visually check roots are attached to hair. **DO NOT TOUCH ROOT BULBS.**
3. Place sample in shaded box (below) with roots at left. Tape in place with tape over hair shaft.
4. If hair is very long, cut the end hairs (not bulb end) so that they are no longer than three inches in length.
5. Send this form along with the appropriate fee to the RMHA Headquarters. Fold this page with the attached hair samples so the hair is on the inside and mail as soon as possible.
