

Hello, my name is Rita Corbett and I would like your vote for the committee **Hearing Panel**. I have owned, bred and sold Rocky Mountain horses for nearly 5 years now. I have been a horse owner, previously owning Quarter Horses and Paints for 25 years, before discovering this wonderful breed of horse. I have been a member of the RMHA for nearly 5 years when I purchased my first registered Rocky gelding. Since then, I have owned many and currently own 4 registered Rocky Mountain horses.

I was a business woman for 17 years, owning and operating 2 full service restaurants in which I learned how to communicate and keep my customers happy.

My goal as a committee member is to grow our membership and to encourage Rocky owners to register their horses, especially for the back yard breeders and owners and encourage them to show their beautiful, talented horses at the Internationals. These horses started with a few men, like Sam Tuttle and Wendell Johnson who gave us the wonderful 5 sons of Tobe, which are in most if not all of our Rocky Mountain pedigrees.

As a hearing panel committee member, I want to protect this beautiful horse from abuse and stop these horses from ending up in kill pens and feedlots. I recently rescued 3 Rockies from harms way and it did my heart good to know that they are now safe and in loving, caring homes. I LOVE this breed, and will do all I can to further its membership and ensure this breed lasts for many years to come.
