

Candidate Statement

My name is Kathy House and I am running for the position of Member at Large. I have held this position for 3 terms. It is a position I want to continue to serve on because, next to our horses, our membership is very important to our Association.

I would like to work with the membership and see what they would like to see from us as an Association. I would like to also get information as to why people are not registering, transfers, and other association items. Since my first term of this office, I have tried to be in contact with members through social media, as I enjoy hearing from our members across the ocean about their horses.

More than anything, I love my horses, I want to see them protected and preserve that natural gait they have, their amazing dispositions and beauty. I have 3 Rockies of my own and I have 4 of my friends Rockies in my pasture. Most of you may be aware that I have had a trying time with my health, moving and my ex passing away--actually I have lost 6 good friends in 6 months. There are no better people! My horses are here with me and even in the cold and rain; I can go out and brush them and just be with them. I hope I am worthy of receiving your votes again and I promise to hear any suggestions or complaints and communicate them to the Board. I will always be open to anything the membership wants to talk to me about. You can call me at 270-213-1606 or contact me via email at klh911@gmail.com with any questions or problems.

Thank you so much for your support and I would appreciate your vote that I might serve you one more term. I'm looking forward to working for you in the future. Let's make our Association fun and amazing!
