

RMHA Genetic Color Test Submission Form

Office: 859-644-5244 admin@rmhorse.com

Owner Name: _____ RMHA Member # _____

Address: _____

Phone: _____ RMHA Registration # (if already registered) _____

Name of Horse: _____

Circle all tests requested:

Agouti Champagne Cream E locus (red gene) Gray Silver

- Pull 30-50 hairs from the mane or tail, pull 5-10 hairs at a time.
- Make sure there are hairs with a bulb or follicle at the end. (The bulb is where the DNA is.)
- Do not use shredded hairs or hair from a brush or comb.
- Align the bulb ends of the pulled hairs together and trim the other end so that the sample is 3-4 inches long. Tape hair to paper below (do not tape over the bulbs).
- Submit payment with sample (it will not be processed without your payment). Fees below.
- Place this form in a standard envelope and mail to the RMHA office at the address below.
- Please allow at least 4 weeks from the receipt of the sample for processing.

Fees:

Additional \$75 for Non-Members

Handling fee (waived if color tests ordered with DNA parentage test)	\$ 5 per sample submitted
One or two colors ordered on one sample	\$25 per color requested
Three or more colors ordered on one sample	\$20 per color requested

Sign here: _____ Date: _____

All samples submitted become the property of the RMHA and can be used for and not limited to DNA testing, genetic disease testing, parentage testing, research and other studies.
