

RMHA Trail Mileage Program Rules and Enrollment Form (rev. 2/18)

WHO is eligible:

This program is available to all RMHA members and youth. You **MUST** be a current member to participate in this program. If you are currently not a member, please complete the Application for Membership and submit it with the other necessary forms. Horses must be registered and certified to participate in this program.

COST:

This program requires a Rider's Card, \$10.00 and a \$20.00 Trail Mileage fee. Annual total: \$30.00. Yearly enrollment form must be submitted with the \$20.00 program fee. No mileage awards will be awarded without this form and fee. Program fees are to cover the costs of the program only.

RECORDING MILES:

This program is based on miles spent trail riding. Participation is easy to track using the Trail Mileage forms on the website. Whether you ride slow, medium or fast, all are welcome to participate.

A separate mileage log maintained for EACH horse.

This program is based on the honor system. Anyone knowingly falsifying information will be automatically disqualified with no refund of the program fee. You will be denied future enrollment in this program. If your RMHA membership is revoked, you will also be disqualified from this program.

Miles are accumulated any time riders ride in a "trail type" situation. This program encourages use of local trails and public lands that allow trail riding. Clarification examples: Mileage can be accumulated along roads and fields, on organized trail rides, local trails and endurance type rides. Competitive distance and endurance riders are eligible, as long as the mileage logged, is on the trails. NOT included are: any type of dressage riding, round pen or arena riding (indoor or outdoor), any kind of clinic, schooling or training, any type of showing. This program is to encourage and reward riders to experience trail riding and use of public land and local parks.

TRAIL YEAR and SUBMITTING YOUR MILEAGE LOG:

The trail year runs from NOVEMBER 1, to OCTOBER 31. Trail logs are to be POSTMARKED to the RMHA office by NOVEMBER 15th. No emails stating mileage will be accepted, only actual logs. You may email your log to the office as an attachment. Miles logged begins with the Enrollment Form being sent to the RMHA office. Awards will be mailed after the annual Awards Banquet held in January/February of the following year. When submitting your Trail Mileage Log at the end of the year, make sure that ALL FOUR PAGES accompany your log. The Summary Forms (pages 3 and 4) help expedite ordering your award (if earned) and keeping track of previous years' mileage. Log sheets must be legible. Late submissions will still get credit for miles ridden, but will not be eligible for any High Mileage/High Point awards.

SUBMITTING STORIES: If you have earned a story for the magazine, email submissions work best. Please email story and photo to: admin@rmhorse.com with the subject: TRAIL STORY

RMHA TRAIL MILEAGE PROGRAM ENROLLMENT FORM

Please fill out and return to the

RMHA

71 S. Main St.

Winchester, KY 40391
