## Certification - Live Inspection

Owner: \_\_\_\_\_ RMHA Member #: \_\_\_\_\_

Horse Registered Name: \_\_\_\_\_ Registration #: \_\_\_\_\_

Date of Certification: \_\_\_\_\_

Three Examiners must be present to conduct and verify the Live Certification Demonstration.

### HALTERED VIEWS:

- ☐ Examiners must view horse in all four positions—front, left side, rear, and right side. ☐ Lead the horse through all four positions.
- ☐ All markings must be clearly identified on the RMHA Certification Form.

### DEMONSTRATION UNDER SADDLE:

- ☐ Saddle and bridle the horse. Horse may be certified in a bitless bridle but not a halter.
  - ☐ If using a bit, it must meet RMHA standards of shank length not to exceed 8 inches measured from top of top ring to end of the metal at the bottom, not including the bottom ring.
  - ☐ Shoes must be factory made keg shoes and not exceed 3/4 inch width at all locations on the shoe nor may they exceed 3/8 inch in thickness (5/8 inch when including borium or drill tech).
  - ☐ If using caulk (factory caulk only) shoes, the total thickness, including borium or drill tech, along with the caulk, must not exceed 7/8 inch.
  - ☐ Natural toe length may not exceed 4.5 inches including the shoe.
  - ☐ Shoes must be on all four feet, or horse must be barefoot on all four feet. ☐
- Examiners will check the bottom of all four feet.
- ☐ Mount and ride the horse to the right or left around the circle.
  - ☐ Horse must travel in one direction for two minutes, then turn and go in the opposite direction for another two minutes.
  - ☐ Regulate the speed of the horse to demonstrate the gait.
  - ☐ Gait MUST BE A LATERAL FOUR BEAT GAIT, not a fast walk. (See Gaits in Rules of Registry.)
  - ☐ Finally, ride directly away from the examiners and return back to the examiners for full front and rear viewing.
