

## BESTS Directory Information (Breeders, Equine Services, Trainers, Sales)

A BESTS Directory listing will place your farm/business in the online directory on the RMHA website and in each issue of the RMHA Magazine. Listings are organized by state/province/country for ease of use and a Google Map is included in the online Directory for ease of location. A link to the BESTS Directory URL ([www.rmhorse.com/breed/breeders](http://www.rmhorse.com/breed/breeders)) is featured on the home page of the RMHA Website and in all RMHA ads placed in other publications. In addition, the RMHA office staff directs anyone inquiring about Rocky Mountain Horse Sales or Services to the BESTS Directory.

Your listing will include up to 100 words about your farm, business, horses for sale or services you provide and can include links to your website and/or an email address. Please provide the information you would like included in your ad below, exactly as you would like to see it appear. Send this completed form to [admin@rmhorse.com](mailto:admin@rmhorse.com) for inclusion in the BESTS Directory as soon as possible. The RMHA reserves the right to edit for length (limiting to 100 words) and compliance with RMHA rules for publication.
