

JT's Pride

Prince Albert Stables in Prestonsburg, Kentucky, has graciously donated a breeding to one of their most proven stallions, JT's Pride. JT is a 15hh single silver stallion sired by the late Johnson's Toby and a direct Dan's Dusty Action mare. JT was shown successfully for many years in the Show Pleasure division and in his last ride before retirement, won the 2014 RMHA Amateur Show Pleasure Grand Championship out of a very competitive group of horses.

JT is quickly growing in popularity as a sire, as he consistently throws his natural gait and stylish presence, while always producing foals that people are eager to work with. While his offspring have found great success in the show ring and on trails across the country, it's truly their gentle nature and willing attitude that make them so desirable. At the 2021 RMHA International, a 3yo sired by JT was used as a lead-line horse in his very first trip to a show! He is truly the epitome of the Rocky Mountain Horse and it shows in his foals.

JT will be standing in Prestonsburg, Kentucky this breeding season. With the typical \$750 LFG breeding fee, consider taking this opportunity to cross your mare with this exceptional stallion!

SRF's Silver Sundown

Steve and Susan Heuslein have graciously donated a breeding to the infamous SRF's Silver Sundown. Nineteen-year-old SRF's Silver Sundown, has a temperament and intelligence that are unsurpassed. Silver's sire is J. Lee Walker and his dam is Fry's Gliding Lass. Silver is the horse of choice for the novice or amateur rider no matter what discipline because he is so easy going and responsive even though he is a stallion. He's willing, gentle, and calm. He has been one of the favorite horses to ride on trails and to compete in the show ring. He can demonstrate brilliance that attracts the judge's attention then come right back down to the trail walk like he's out for a Sunday stroll.

Silver had many outstanding accomplishments over his life-time. In 2018 Silver won the elusive Sam Tuttle Memorial Award and the Rea Swan Versatility Award with a perfect score. He was also the RMHA Open Western Grand Champion for the sixth time! In addition, Silver was recognized as the Reserve Grand Champion Conformation and Reserve Country Trail Pleasure International Grand Champion.

His progeny mirror their sire. In 2017, Moriah Mae, won the RMHA International Western Grand Championship . . . as her sire has won so many times. Last year his daughter, 3-year-old Sundown Sierra was the RMHA High Point Country Trail Pleasure Mare recipient. He is available for live cover or AI.
